Clothing Drive

The children will be back in school August 10! Therefore, we have begun our clothing drive to provide the Gordon Barbour clinic with new clothes for needy children. If you feel it in your heart to purchase an item of new clothing, the children receiving this gift will be ever so blessed. There is a sign-up sheet in the parish hall, or you can sign up using the “Sign Up Genius” link that Cynthia sent out. If you would like to give a monetary donation, we will buy the clothes and let you know what we bought. You can write a check to Christ Church and put “clothing drive” in the memo. Please sign-up soon (so we know what items we need to buy) and **have everything to church by August 14**. Thanks so much for helping Christ Church to be God’s loving hand to our neighbors!! If you have any questions, please ask!

Summertime and the living is easy...

(DuBose Heyward and Ira Gershwin)

Life may feel slow and easy at the moment. There are not a lot of things on the calendar for most of us, and if there are, a lot of them involve catching up with family and friends. But underneath all this, a lot of us are in planning mode.

I am in the process of getting our Eucharistic Ministers and Worship Leaders licensed or re-licensed. We will be exploring the Book of Common Prayer, the Revised Common Lectionary, the Hymnal, and a few of the canons that are concerned with worship. If you are interested in any of these ministries, please let me know.

I am planning to start having a short children’s sermon prior to our normal sermon whenever we have children present since we have been having children (that’s a lot of “children” but what a delight) most Sundays at one or both of my congregations.

It is time to start planning for our Small Groups. The Pilgrim Study will resume on Thursday mornings in September. Last year we covered the 4 books in the “Follow Stage”. Turning to Christ, The Lord’s Prayer, The Commandments, and The Beatitudes. This year we will be looking at the “Grow Stage”. The Creeds, The Eucharist, The Bible, and Church and Kingdom. Each book is about 6 chapters long. There is no required homework. We read and pray the scripture passage using a modified Lectio Divina, read together the 2 meditations and have some discussion. There are interesting quotes from theologians across time and denominations sent home if you choose to do further exploration. You don’t have to have completed the prior four books to participate. Come when you can.

Wednesday nights we do a study via ZOOM for those rushing in from work and/or ready to kick back and relax. Last year we read several of C.S. Lewis’s books and then went to see a movie about his early life. Later we did a single sitting reading of the gospel Mark and then an in-depth study of the same gospel using N T Wright’s *Mark for Everyone*. I would be interested in your ideas. We could pick an author again like Richard Foster or Thomas Merton. We could tackle another gospel. We could explore Anglican Identity looking a church history and theology from the Reformation forward. There are lots of possibilities, but I would like to make a choice soon so I can begin preparing.

What would you like to see us do in the 2022-2023 school year in the way of training, study, or activities?

Blessings,

Bev+
